Know your Dyneema from your Vectran?

16 Plait, 8 Plait, 3 Strand?

Shockcord is all the same though isn't it?

To Splice or Stitch?

English Braids have very kindly agreed to come and give us a presentation about developments in ropes, their specifications and types etc.

This will then be followed by Practical Demonstrations of Rope Work including Splicing and how to make your own tapered spinnaker sheets or split mainsheet.
